Fitness in the Park - The grant will pay for \$50/Saturday, eight times total.

Yoga, Zumba, Boot Camp

Jacque - Please reach out to the Butorac's to see if there are any weekend tennis tournaments we should work around.

Potentially start July 8th running through August 27th

Jesse and Tim will contact some potential instructors.

Block Party - June 17th or 24th, looking at a location west of 11th Ave, 5:00 - 7:00 pm

Would Jacque Jones be willing to lead this?

National Night Out - August 1st. Who wants to lead this?

Porch Fest - September 16th - One hour time slots and allow the band/performer to play longer if they'd like. Jesse will talk to Annie H about setting up bands and potentially arranging for a grand finale event. Possibly coordinate with the Butorac's to make the grand finale a fundraiser for the tennis center.

Development News -

- 16th Ave will be closed between 1st SW and 1st NW starting May 8th. The end date is unknown.
- The property on 2nd St and 3rd Ave (previous Holiday Inn attempt) will most likely be coming forward with new ideas before the end of 2017. Javon Bae owns this property.
- Jesse and Kellie met with Javon a few weeks ago to talk about the Miracle Mile project.

Privacy Fence going up on 1st St NW on a corner lot in the front yard. The concern is that it blocks visibility at the intersection. According to public works, it meets the visibility requirements. It is unknown if a permit was pulled for this.

Questions for Officer -

- Break in next door to Jesse
- "Shoot out" on 5/2 between MinnWest bank and Olive Garden.
- Front yard privacy fence on 1st St NW

The next neighborhood meeting is on May 9th, 7:00 pm at the United Way.
